NATIONALLY RECOGNIZED SERIAL ENTREPRENEUR & TECH FOUNDER TO KEYNOTE 2019 IDEAS@WORK

Santiago Jaramillo, CEO & Co-founder of Emplify, will engage and inspire you as he shares *Lessons Learned from a Purpose-Centered Entrepreneurial Journey.*

- Serial entrepreneur, Jaramillo developed and grew multiple small and midsize companies.
- From his college dorm room, he grew the mobile app platform Bluebridge to become the premier app platform for churches and tourism destinations across the U.S.
- In November 2016, the company was acquired for \$8 million dollars.
- He now leads a team of engagement experts to provide more reliable employee engagement insights for better decision making.
- He has spoken to and trained thousands of leaders across small, mid-market, and Fortune 500 companies on the importance and business value of employee engagement.
- Last month, Emplify closed on over a \$7.5 million outside Series A capital round with several institutional investors.
