

CONNECTED HEALTH LAB MEMBER SERVICES

Concept & Product Ideation

Idea generation processes emphasize multiple ideas foundational to future design work. Concept sessions culminate with idea pitch sessions, assisted by experienced professionals, for feedback and next steps.

Custom Innovation Lab Facilities

Our facilities are designed with our client members in mind. Suitable work space is provided to facilitate individual and team projects, including a collaborative setting. Special equipment and technologies are also supported.

Experienced Business Coaching

Successful business builders surround themselves with needed expertise and strategic thinking. Coaching sessions may include 1-1, teams, and small cohorts. These are focused on business essentials. Together, we're better.

Health/Tech Network Access

Client members have access to skilled service providers available to advance, protect and launch new products and firms. Highly valued support includes marketing, legal, workforce development, and capital access.

Member & Sponsor Level Options

Client members have choices of health lab experiences – based on off-site and on-site interests. Our business partners also have several sponsor levels available. **Scholarships are available for selected client members.**

NIIC Navigator® Online Training Support

The NIIC Navigator® Online Learning Toolset provides valuable client member support. Courses include: *The Modern Entrepreneurial Process*, *Opportunity Identification*, *Problem-Solution Fit*, and *Business Partnerships*.

Unique Health/ Tech Events

Continued learning and growth is critical to business builders. Workshops and events are specifically designed to facilitate collaboration and networking with client members, potential investors, and health tech industries.

OUR FOUNDING PARTNERS

BUILDING BUSINESSES - CREATING JOBS - CHANGING HEALTH & LIVES

Connected Health Lab (CHL) is funded in part through a cooperative agreement with the U.S. Economic Development Administration.

Matching funding and resources are provided by host organization The NIIC.
